DESCRIPTION

Here it is! An impeccably maintained, one owner, multi-level home in the desirable Stone Ridge neighborhood! Entertaining is fun in this open kitchen and dinette, featuring new granite on the large island and a stunning tile backsplash. This sunny, open kitchen includes a cathedral ceiling and dinette with a walk-in pantry and another granite top serving cabinet, along with a conveniently located workstation desk. Curl up to the fireplace during our cold Nebraska winters in this cozy family room that includes surround sound ceiling speakers. Then enjoy a hot shower in the beautifully remodeled master bath with a granite counter and double sinks. The high efficiency furnace will make sure you always come home to a toasty home! Enjoy starry nights on the deck and days playing or lounging in the large backyard that is completely enclosed by a beautiful vinyl privacy fence. There has been lots of love in this home - keep the tradition alive and add your own happy memories today!
