## DESCRIPTION

---

Come enjoy the almost 250 acres of pristine water Bluewater has to offer. This beautiful custom-built luxury home features over 3,900SF on a large 0.61 acre lot. The main floor features an open concept living area with high ceilings and sweeping lake views, a floor to ceiling stone fireplace, a gourmet kitchen with extra-large workable pantry, a spacious custom master bedroom and en-suite bathroom, drop zone, and laundry. The second floor features a game room with wet bar, two bedrooms, an exercise room which could be used as a fourth bedroom if needed, and a living area with direct access to the covered deck. The 4 car garage features over 1,400SF of floor space, including a full bathroom and floor drains. The East-facing rear of the home features an extra-large patio with gas fire pit, a solid cedar pergola, and a zero-entry beach that is perfect for entertaining friends and family. Don't wait, this is your chance to be lake living by spring! AMA.
