DESCRIPTION

Welcome to the Good Life! This 5 bedroom, 4.5 bathroom walk-out home sits on 11.65 acres of glorious Nebraska land with incredible views all around. While the home is stunning on its own with custom woodwork, 2 fireplaces, 2 wet bars, formal dining room with built-in hutch, and so much more, the outside is an experience you won't find elsewhere. HOA (\$300.00/year) entitles usages of the 35 acre lake, plus 30 acres of trails are a short walk away. Throw your line into the water and fish, or enjoy a beautiful starry night by the campfire (multiple campsites available). A 60'x 76' heated outbuilding with water, power, bathroom, additional storage in upper level, and drains in fully concreted floors, and a 30' x 40' horse barn with electric and water add to the incredible amenities of this once-in-a-lifetime property that you must see to believe!
