D·R·HORTON

America's Builder

DESCRIPTION

D.R. Horton, America's Builder, presents the Hayden plan. This two-story home provides 5 large bedrooms and 3 full baths. The main level living area offers solid surface flooring throughout for easy maintenance. The staircase enters from the family room for convenience and privacy. The kitchen offers beautiful cabinetry, quartz countertops, a large pantry and a built-in island with ample seating space. Also on the main level, you'll find a spacious study, perfect for an office space, as well as a bedroom. Upstairs, you'll find 4 additional bedrooms, including one that features a gorgeous walk-in closet, as well as a 2nd living space that can be used as a great entertainment space. This home comes with all of the benefits of new construction.
