## DESCRIPTION

---

4 bed, 3.5 bath 2 story, backs to open meadow with trees. No houses behind. Open floor plan with large living room featuring corner fireplace. Gorgeous kitchen with birch cabinets, stainless steel appliances, and center island. Spacious primary bedroom has large walk-in closet, vaulted ceiling, and ensuite bath with double sinks and soaking tub. Large linen closet on 2nd floor. Energy-efficient windows. Finished walkout basement with 3/4 bath, extra storage area. Fenced back yard with sprinklers. Quick access to Keystone trail system, shopping, and restaurants.

The location of this home overlooking farmland makes you feel like you are living in the countryside. But, the home is located in the heart of Bellevue, minutes from Offutt, and near Highway 75: a quick and easy commute to Bellevue or Omaha for work or recreation. Neighborhood is friendly, quiet, and conveniently located. The finished basement provides flex space for working, exercising, hobbies, or kids' playtime. Great setup for entertaining on the new, spacious deck with gorgeous sunset view, overlooking large backyard.
