## DESCRIPTION

---

Welcome to your luxurious new home built in 2023. With over 2,000 sqft, expansive vaulted ceilings, and open floor plan this home has extra room at every turn. The upgraded kitchen has gorgeous granite countertops, a walk-in pantry, microwave with air fry, and a fantastic induction range. The living room with its vaulted ceilings, motorized blinds, and cozy fireplace is sure to be a crowd pleaser. The primary bedroom with bathroom has a custom tile shower with rain glass and walk-in closet. Downstairs, you will find another living room, bathroom, all the storage you could want, and an egress window. Huge garage with an oversized door for you to fit all the toys in. Fenced back yard. This has it all and then some. Don't miss out on this amazing home!
