DESCRIPTION

Whether you're looking for a spacious home or appreciate the character of a classic property with room to make it your own, this house is one you won't want to miss. The home features a main floor bedroom, three bedrooms upstairs, and even a non-conforming bedroom in the basement. Also, a bathroom on each level and multiple living areas options that provide flexibility for everyday living, entertaining, or working from home. Large windows fill the home with natural light while the generous floor plan offers plenty of room to gather or spread out. Outside, you'll find a detached garage and a beautiful deck. Ideally situated across from the city park and swimming pool and just a short walk to the school, this property offers the convenience of small town living with amenities just steps away.
